

6.k. Residential Life

Subject	Students	Effective From	Sep - 2011
Policy #	6.k.	Latest Revision	Dec - 2023
Title of The Policy	Residential Life	Next Review	Dec - 2024
Responsible Entity	Administrative Unit	Policy Pages	1
Definitions	<p>University: Al Ain University. AAU: Al Ain University. Students: Students of Al Ain University. Residence Supervisor: An employee from Al Ain University.</p>		
Purpose	Residence Life strives to create a welcoming and comfortable home for students. To respect the community they are living in, AAU has policies and procedures that students must follow, both for their safety and to create a great living environment.		
Scope	AAU Students		
Statement	AAU provides students with appropriate resident halls that have all means of comfort and stability necessary to create a healthy atmosphere for studying. The tasks of the resident halls include receiving new students, providing them with relevant advice and instructions, informing them of the resident halls rules and regulations, their responsibilities, assisting students in resolving the problems they face.		
Procedures	<ul style="list-style-type: none"> • students who are living at AAU resident hall must follow all rules and regulations that are written in the contract and must be signed by the student. • Students are responsible of preserving the privacy of others, as required in the law of the country, and refraining from filming of all kinds or recording audio clips.
